Michigan Historical Museum System is part of the  
Michigan Historical Center, a division of the Michigan  
Department of History, Arts and Libraries

The Michigan Historical Museum education staff is pleased to present the following workshops designed especially for Junior Girl Scouts. The program fee for girls and their chaperones includes handouts, lunch, snacks and certificate. Each Junior receives the appropriate badge.

### October 16

### ACROSS GENERATIONS

Senior citizens share their stories, knowledge and skills to bridge the generation gap with Junior Girl Scouts. The girls will earn their *Across Generations* badge as they discover how humor, food, music and hobbies have changed (or not) through the years.

### December 4

### FOLK ARTS

Junior Girl Scouts explore the arts of everyday people as they earn the *Folk Arts* badge. They will learn a craft and folk dance, examine old photographs and hear folk tales and songs.

### February 26

### BOOGIE FOR YOUR BADGE

Juniors dance the day away as they earn their *Dance* badge. The girls will learn the basics of tap, swing, ballroom, square and other dance forms. At the end of the day, Juniors strut their stuff at the Badge Boogie Ball.

### April 9

### WORLD NEIGHBORS

This multicultural event helps the girls earn the *World Neighbors* badge as they meet people featured in the museum's special exhibit, *Movers and Seekers: Michigan Immigrants and Migrants*, and explore their lifestyles, clothing and traditions.
